

With JF&CS, there are a number of opportunities to support your community – on your own, with friends and family, or even with your entire school or synagogue.

Why should your mitzvah project support Jewish Family and Child Service?

Jewish families and individuals living in Toronto and the GTA connect with JF&CS on a daily basis. Parents who cannot afford Chanukah presents. Teens struggling through a tough time. Or children in need of new clothes. By supporting JF&CS clients with your mitzvah project, you are helping to strengthen our community.

Every summer,
JF&CS helps send
more than
225
children to camp

More than
200 toys and
gift cards
were donated for
children and youth
at Chanukah

In 2023, over
20 children
generously
donated their
birthday money to
JF&CS!

Mitzvah Project Ideas for You and Your Community

Centrepieces

Fill your celebration centrepieces with much-needed items for children and families: baby items, camp supplies, winter accessories, board games or sports equipment. Or ask JF&CS to create a custom donation page for you to share with your guests.

Going shopping?

Whether you are filling a backpack for school or buying camp supplies, consider purchasing extra supplies for a JF&CS youth or family.

Homework Club volunteering

Help students, in grade 4 and up, by volunteering at Homework Club via zoom. Volunteers must be in grade 11 or higher.

Share your party with JF&CS!

By using a platform such as ECHOage, part of your gifts can be donated to supporting families in need.

Yard sale

Host a yard sale and donate the money raised to support your favourite JF&CS program!

Drive for Dreidels

Ask JF&CS for a Drive for Dreidels box for your school or synagogue. Toys collected will be distributed by JF&CS to children and youth who otherwise would not receive gifts.
